

To Honor the Lives of our Preborn Brothers and Sisters

National Day of Remembrance for Aborted Children

Saturday
Sept. 18
2021

On this day, we offer gratitude for the blessing of lives saved from abortion at Waco Planned Parenthood. We recognize and honor lives lost and offer support for those living with wounds and regret.

On Saturday, Sept. 18, pro-life Americans will honor the memory of the more than 60 million preborn victims of abortion during the National Day of Remembrance for Aborted Children.

Solemn prayer events will be held on one day at gravesites around the country where abortion victims have been buried, as well as at many other memorial sites dedicated in their honor.

Join us for the National Day of Remembrance for Aborted Children and ensure that our preborn brothers and sisters will not be forgotten.
