Pro-Life Pennsylvania

Volunteer Recruitment and Leadership Development Seminar

**Saints Simon and Jude
Parish Center
8 Cavanaugh Court
(at Routes 3 and 352)
West Chester, PA 19382**

**Saturday, February 12, 2022
9:00 AM-1:00 PM**

There is an 8:00 AM Mass in the Church's Daily Mass Chapel

This Seminar seeks to maximize the greatest asset of - and mitigate the greatest threat to - our area's pro-life movement. That asset is the tremendous good that can be achieved by a few - or even one - individual. That threat is the aging of the current participants in - and leaders for - our area's pro-life movement.

This Seminar is sponsored by the Pa. Pro-Life Coalition and its affiliates in Bucks, Chester, Delaware, Montgomery, and Philadelphia Counties, the Pro-Life Educational Foundation, Generation Life, Pennsylvanians For Human Life, S.E., The King's Men, and the Knights of the Immaculata.

Seminar Content

This Seminar features Sr. Sheila Galligan, I.H.M., presenting *God's Most Wanted: "Salty" Pro-Life Disciples*. Sr. Sheila is a Theology Professor at Immaculata University, as well as a highly faithful and effective pro-life advocate, teacher and author.

Attendees will then hear brief presentations from local leaders in four phases of pro-life activities, followed by requests for participation in certain activities of these phases. These phases include education, alternatives services, activism, and public policy/election advocacy.

After a break, with coffee service and sandwiches available, attendees will gather by geographic area to develop an ongoing Outreach Agenda that prioritizes efforts to recruit and/or renew active Parish/Church Pro-Life Leaders.

Help Seize 2022 Opportunities

The Pa. pro-life movement has succeeded in reducing the number of abortions committed in Pa. from about 66,000 in 1980 to about 31,000 in 2020 through efforts in these four phases. Tremendous opportunities, beginning with the reversal of *Roe v. Wade* and the election of a pro-life Governor, exist in 2022 - and in future years - to further reduce this killing and provide legal protection to all children and mothers in Pa.
